From Lab Research to Clinical Reality
53rd Annual OVSPS Conference

February 24, 2010

Dear Vendor:

Thank you for inquiring about the Ohio Valley Society of Plastic Surgeons (OVSPS) Conference from May 14th to 16th at the Ritz Carlton Hotel in Cleveland.

The Society includes Plastic Surgeons in the States of Ohio, Indiana, Kentucky, West Virginia and the western part of Pennsylvania. This will be an excellent opportunity to meet with doctors from all five states who are gathered in one location. We have a distinguished faculty and exciting program that I am confident will attract attendees to the conference.

Please consider reserving an exhibit table with information about your services and products. Face-to-face discussions, brochures, product samples and other similar displays are all acceptable.

Please visit our web site at www.OVSPS.org and select "Conferences" then "Exhibitors" for more details. On-line submission is available or the "[Exhibitor Support form](#)" can be downloaded and submitted via US Mail or faxed to 440-532-7005. The exhibit fee is \$2000 for the two and a half day conference. Darlene Lyons will provide you with more details if needed. Her e-mail: lyons@ovsps.org.

I am certain that our venue will provide you with the opportunity to maximize your efforts in sharing the many advantages of your company's services and products with our attendees from five states.

I look forward to welcoming you to our meeting in May.

Yours sincerely,

Bryan J Michelow

Bryan J. Michelow, MD.
